Instructions

Use **Form AU-620**, *Direct Payment Permit Application*, to apply for a direct payment permit from the Department of Revenue Services (DRS).

Conn. Gen. Stat. §12-409a allows the Commissioner of Revenue Services, in the Commissioner's discretion, to issue direct payment permits. Within 120 days from the postmark date of the application, the Commissioner will review the completed application. At the end of the review process, a letter of approval or denial will be sent to the taxpayer. The Commissioner retains sole discretion in the approval, denial, and revocation of direct payment permits. The application will **not** be considered unless complete. Incomplete applications will be returned.

This direct payment permit application is valid for the primary Connecticut tax registration number listed on the front. The direct payment permit includes all sub-numbers previously approved by DRS to be filed under this primary tax registration number. (See Multiple Business Locations, on front.)

If the multiple locations file separate sales and use tax returns, then a direct payment permit application and \$20 permit fee must be submitted for each location.

Upon approval, DRS will send you **Form AU-621**, *Direct Payment Permit*, by certified mail. A direct payment permit is valid until you surrender it or DRS revokes it. If the direct payment permit is surrendered or revoked, the holder must promptly notify, in writing, all vendors from whom tangible personal property or services have been purchased or leased.

Should this application be rejected, you will be notified by certified mail.

Mail the completed application and enclose a \$20 permit fee with this application. If your application is approved, the \$20 permit fee will be deposited; if denied the fee will be returned. Make the check payable to Commissioner of Revenue Services.
